During detour operations, the temporary route segment(s) will—unless otherwise noted—operate under the “flag stop” policy, meaning passengers can board or alight the bus at any intersection along the route where the driver deems it is safe to do so.

Some other routes also operate on a Posted Stops Only policy along the entire route. Additionally, all routes that travel into Chicago operate on a Posted Stops Only policy within city limits. Pace is currently working to convert most routes in its network to this type of operation.
